MISSION/VISION STATEMENT:

We exist to show God's love in such a way that people exchange ordinary living for an extraordinary life through the transforming power of Jesus Christ.

VALUES:

1. People matter to God
2. The Church is God's chosen instrument to restore broken lives, to repair damaged relationships, and to regenerate spiritual, emotional and physical health.
3. The Church should utilize every available means to reach a city, the nation and the world.
4. The Church should be culturally relevant, while remaining doctrinally pure.
5. The goal of every Christian should be maturity and ministry.
6. The Church should be administrated by maturing Christians who are utilizing their spiritual and intellectual gifts.
7. Every expression and ministry of the Church must be done with excellence and integrity.
8. Every Christian is uniquely gifted by God and vital to the health and effectiveness of Christ's body.
9. The Church will see its greatest influence in being servants to the community.
10. The family is the God-ordained backbone of society, thus we will seek to strengthen and unite families.
