CHURCH ANNIVERSARY: August 26, 2010

MISSION/ VISION STATEMENT: We exist to love God and to glorify Him by making disciples of Jesus Christ in San Francisco, America, and the World.

VALUES:

1. We trust God's Word as the foundation and filter for everything we do.
2. We value and cultivate generational, socioeconomic and ethnic diversity in every aspect of our church culture.
3. We care about equipping families and the next generation to be salt and light where God places them.
4. We humbly seek the Lord through personal and corporate prayer.
5. We will mobilize people to live every aspect of their lives with purpose for the cause of Christ.
6. We believe that God's mission for the church is the most important in the world and everything we do should reflect the immeasurable value of that mission.
7. We believe that genuine Christ followers/disciples should take responsibility for their own spiritual growth and for the spiritual growth of others.
8. We understand that church is not a building but is a unified spiritual community called to both gather and scatter to accomplish God's purposes locally and around the world.
9. We believe that the power of the Gospel is for abundant life in the present and for eternity with God.
